The Icelanders build their huts of ice. Donegan has followed surt in building his, hut of ice, and you can leave orders with him for your try. " fee up " at Dinegon's.

This week four drums and as many Wes were to Lincoln Center for a marshal band. It is said that there are players there already qualified, and a band will be formed immediately, which will play for them on the 4th.

Monday was a regular "buster." It was the essence boiled down of Africa's heated clime. According to Dr. J. W. Daily's thermometer the mercury stood 109 degrees in the shade. And to add terror to the situation there was not so much as a breath of wind!

Since the Southern part of the State has been grats, thousands more are wending their way westward & Saline county, and are investing their cash with Durham in his cheap land and There is no better argument for the forma-

business men " of Maj. John W. Berks' in our ment's quibble, and which has long ago been setadvertising columns. The Major, while work- tled in the minds of the people. It is neglect, try, and the business men can afford to assist not effected months since, may years. The fire him with their advertisements. Their adver- of the other day was the first of size for at least tising can be no loss to them.

Mr. Joan Pale, the editor and proprietor of the Lincoln County Gazette, arrived in the city Monday, having just returned from St. Lond. Monday, having just returned from St. Louis, Monday, naving just returned from St. Louis, where he purchased a newspaper outfit. The dollars could be expected should a fire com-

denly, Friday night. Mr. T. is a brother of C. W. Tressin, hardware merchant, lately arrived from Germany. The child was taken by quell the fire itself. The citizens are enterwith something like cholera-morphus in the afternoon, undoubtedly the result of climatic change. We condole with Mr. Tressin, still their own preservation. The cost of five hundred or a thousand dollars to purchase an endoubtedly mill not deter him from their own preservation. The cost of five hundred or a thousand dollars to purchase an endoubtedly the result of the Grand Prairie House, No. 58, Santa February 1988. settlingamongst us.

classic Smoky, last Sunday. A gallant son of ing done our duty, now that the fire-quene Africa interposed an effective remonstrance, is so close at hand! A fife company is an ex-and she desisted from any further movements penditure something on the principle of taking

Parmassus was a celebrated mountain in Greece, and in mythology was sacred to Apollo and the muses. Iron Mound beats that, for on a mountain in a moon-lit eve, as we gazed skyward up the ged sides, scanning closely "for our case," of course, two objects (god and godden, up verily relieve) jumped from a crannied rate and swiftly sped into the clouds. We cried and losses of exigency. It is a homest the commentary that there is an immiliciency if the commentary in the clouds. We cried and convenient points in the clause, effect we pokes of American ones. For purchase, the commentary that there is an immiliciency if the commentary is an immiliate the clause of the clause of the clause of the clause of the clause. For purchase of the clause, effect we pokes of American ones. For purchase of the clause Can saybedy tell?

The farmers about Bavaria, this county, are tivating a respectable amount of broom corn. ted that the establ It has been sugge oom factory in that neighborhood would be a first rate project and the factory a re-munerative institution. The fact is a number of broom factories in Saline county would not

be a losing property. The advertisement of Mr. August Ziebell, proprietor of the meat market opposite Major Berks' real estate office, appears in this paper. No botter recommendation for 'hish is needed than that he learned his trade in old Germany. considerable property. He may there is no reason why a working man should not become

The reports of the severe storm of Friday, the 16th inst., agree in the main with the account given last week, with a few additional ctatements of devastations on individual property. The Saline valley came in for its share of the ruin. The damage done, on the whole, will not very materially affect the prosperity of the county. The storm, it appears, was not general, and extended only a few inites in width.

Our county fair this fall will be one grand affair. All are exerting themselves and are in-terested in its success. There will be some fine stock exhibited, and the display of products and getteral handiwork, will be large. The Saline County Agricultural and Mechani cal Fairs are the best county fairs in Kansas, The farmers report the corn crop in excellent and this year's tair will be the finest ever held condition and the ground sufficiently watered in Saline county. We continue to receive to withstand very comfortably a "drouth" of statements of premiums to be competed for.

Mr. Seth C. Keyes was in the city Saturday. having driven in in a bran new buggy, just purbattalions, and for that reason Junction City chased in the East. It is a tip-top affair and mited to one or two horses. Mr. Keves is an energetic and successful farmer and stock-rais-The Board of County Commissioners will er of Gypsum Creek and an intelligent gentlemeet next Monday in Salinii, to equalize the tax assessment and attend to such other business as there is proof that they are well-to-do and getting rich. There are others of our farmers besides Mr. Keyes who sport their carriages.

A stroll in the direction of the southern part of the city convinced us that that region was greater progress.

its, is a big sized mud hole, which should oc-cupy some of the attention of the business men. cupy some of the attenuou or the bullet while the roads fore and aft, one very side, are high and dry and at all times in good condition here, during a considerable portion of the sea youd and the banks of the Smoky Hill river is the will go down three-fourths of a foot. The legal-ized road, we are advised, has been laid con-trary to the wishes of the owners of the land adjacent, and they have fenced up the road, mak-ling another at another place. So it is that the road tax can not supply a remedy, except on A hundred dollars is all that will be requir the benefit and the accommodation to the courtry folks. Our business men owe it to the cour try people to repair the road and it should be done. Let the matter be looked after premptly. White trunking on the subject of mucholes. While touching on the subject of mu heed should be given to other mud holes abou the city. There is one equally as bad on the Dry Creek road, extending for quite a distance. Our real estate dealers can well afford to stir up some one about these nasty places, as their presence have their influence on land buyers.

We are loth to refer again to the matter of the city printing but it is a subject suggestive of thought for those who are the friends of fair play. For ourseives, we experience neither be dealth with, This is the age of favors and policy in Salina. But to place the whole thing in a nut shell, there has been downright shystering on the city printing. In this it may be a bare possibility that we are mistaken but we hold proof that confirms our convictions beyond a peradventure. That the City Council, as a body, areat faul, we do not think. They once evinced their desires to act indiscriminately on the printing by passing a resolution for putting progressing. Many new buildings, of this it to the lowest bidder. One member alone was year's construction, dot the ground here and found to have voted against the resolution. there and we found three or four going up. That resolution was brought to our office but One of them belongs to John G. Spivey, one of through the interference of outside meddlers Salina's ablest attorneys. The city has made was withdrawn before its publication. The fair improvements this seasen, erecting some of members of the Council were made to believe her best buildings, and the fall warrants still that the resolution was without torce under the law and that an ordinance must necessarily be substituted to give it value. Here the matter The railroad meeting on Friday evening was has rested for months up to the present time spirited and the attendance large. The interest without action being taken. Now, the question was of that kind that proved that the people is, why was not the resolution sufficient? Othuntil about 12 o'clock, when, after appoint- the execution of their city printing in just the ing Messrs. J. H. Prescott, D. W. Powers, same way. We think the idea of bidding for B. M. Wilson, E. W. Ober and A. M. Beebe, the public printing in this new country wrong but as the practice has been commenced we de Choat said that when the Constitution was sire to see it carried through. The county and shattered he would live under the by-laws.
